**Worship Opportunities:** We will continue to provide live worship on Sunday mornings at 10:45. Please tune in to [tabernaclebaptist.org/live](http://tabernaclebaptist.org/live) or on Comcast (Channel 24). You can also find it through our Facebook page and our YouTube channel.

**Midweek Podcast:** We are excited to offer a Podcast (audio and video) during this time. Starting this week, Pastor Patrick will be continuing his series "Teach Us to Pray," with Benjy Linder co-hosting. You can find the material through our social media accounts [@tbccartersville](https://www.instagram.com/tbccartersville) and our website [tabernaclebaptist.org](http://tabernaclebaptist.org).

**"Family Connect"** is an online resource for families of preschoolers through high schoolers. It will allow families to take Pastor Patrick's message from each Sunday and dig a little deeper throughout the week. Additional fun activities will also be provided to engage your entire family. The activities and resources will be provided in several formats to meet your family's unique needs. You can find Family Connect at [tabernaclebaptist.org/family](http://tabernaclebaptist.org/family).

**LIFEGROUPS/DGROUPS:** It is important that we stay connected during these uncertain days. We need each other and we want to do our best to make sure that all of our folks are being cared for. Social distancing does not have to become social isolation. As we seek to care for our people we want to remain within the guidelines established by our authorities (please see [www.cdc.gov](http://www.cdc.gov) for latest updates).

Online meetings are certainly the safest way to stay connected and work great for most any group. There are several options from which to choose: Zoom, Hangouts or Google Meet. Please go to [tabernaclebaptist.org/lifegroups](http://tabernaclebaptist.org/lifegroups) for more information.

**Global Connections:** Please pray for our (m) families on the field in different parts of the world as they deal with the impact of COVID-19.
