

Series: Vision Month 2021
Title: Eager for the Gospel
Text: Romans 1:15
Date: January 31, 2021

“Eager” = “willing” or “ready”; a compound word that spoke of a “forward mind, passion, or temperament.”

To talk about an eagerness concerning the gospel, let's consider two ideas tonight...

1. THE NATURE OF VISION

- A. Our vision is not our purpose.**
- B. Our vision is not our priorities.**
- C. Our vision is a picture of what could happen in our church, if we pursue our purpose and priorities by working our plan.**

2. A VISION FOR NOW

A. A Focus for This Year – Policies and Procedures; Priorities and Plan

- 1. Policies and Procedures – Behind the scenes, we want to establish good policies and procedures that will make us more effective and efficient in ministry.
- 2. Priorities and Plan – Publicly, we want to start using a plan to fulfill our biblical priorities (Acts 2:42-47).

B. A Plan for The Next Few Months – The Follow Me Initiative

- 1. Follow Me Lessons – Starting March 13, we will release a weekly discipleship lesson for our people to use for discipleship.
- 2. Follow Me Challenges – Starting March 13, we will release a weekly outreach challenge for our people to use for outreach.

C. A Big Possibility for the Near Future

- A. A Building Project**
- B. A Third Space**
- C. Community Engagement**
