Date: March 27, 2022

Three responses concerning Jesus' work on behalf of our sin...

1. **Take sin seriously (v. 29).**
2. **Know where you stand with God (v. 30a).**

Our Lord's sixth saying can liberate us from various spiritual maladies...

A. Spiritual Pessimism

B. Spiritual Pride

C. Spiritual Permissiveness

Arthur Pink "...believe what God's Word says about Christ's death. Rest not on your feelings and experiences but on the written Word. There is only one way of finding peace, and that is through faith in the shed blood of God's Lamb. 'It is finished.' Do you really believe it? Or are you endeavoring to add something of your own to it and thus merit the favor of God?"

3. **Be secure in what Christ has done (v. 30b).**
